

FALL 2020 - SPRING 2021

Students are admitted and placed in a grade level after considering their age, achievement level, grade level at their previous school, and emotional and physical maturity. In addition, HQIS will always take into account the student's country of origin, the educational system from which the student comes, as well as the student's past performance in that system. The age placement cut off date is September 30.

Upon admission, students are provided with a learning program based on their readiness and maturity. Acceleration to a higher grade or retention in a lower grade is based on a student's ability and achievement after enrollment. When necessary, teachers, administrators, and parents meet to discuss concerns regarding grade level placement.

The HQIS Early Childhood program is designed to offer a developmentally appropriate curriculum for children at each age level, therefore students in Toddler, Early Years, and Preschool grades will not be considered for acceleration.

Before applying for enrollment, parents and students who have special learning needs will need to consult with HQIS to be sure the school can accomodate for your child.

In some cases, HQIS will conduct an interview with the student to determine enrollment and placement.

Payment of Fees:

Parents are responsible for the timely payment of all school-related fees regardless of any payment arrangement made with their employer. Payment of annual fees, semester fees, or a non-refundable deposit will hold a place in the appropriate class for the coming school year until the June 15 tuition payment deadline. After June 15, the seat will not be secured until the full semester fee is received. All fees are quoted in RMB currency. Conversion from USD to RMB is at the rate of 6.800. The school reserves the right to change the exchange rate during the school year.

Late Payment:

A late payment charge of one point five percent (1.5%) per month, compounded monthly, will be charged on all school fees that are overdue.

Non-Payment of School Fees:

The school reserves the right to refuse admission or continued enrollment when the full amount of school fees are not paid as scheduled and/or scheduled installment payments are not paid as per agreement. If the school does not receive payment or written notification that payment is in transit by the due date, and/or has not received the required email of a wire remittance identifying the name of the student, the school will assume that the student does not plan to return and make the seat available to new applicants.

In cases of non-payment, the school may suspend the student and/or withhold all school records until fees are paid in full.

HQIS Refund Policy:

The school makes commitments in advance regarding staffing, purchasing, and other resources based on confirmed enrollment, all of which have financial implications. Accordingly, should a parent decide to withdraw a student from the school, it is necessary for the school to be compensated for the early termination of the educational services contract between the school and the parent in order to mitigate any indirect financial impact. Depending on the Withdrawal Effective Date, the amount of compensation for early termination required by the school may vary.

- 1) A refund request will not be processed unless a written notification of withdrawal has been received by the school's Admissions Office.

 - c) If a student attends the school and a notification of withdrawal is received before the student's last day at the school, the Withdrawal Effective Date must be written in the notification of withdrawal and serves as the student's last day of attendance at the school.
- 3) If a student withdraws from the school and the Withdrawal Effective Date is before July 1, fees paid for the Fall Semester or the year, except for the application fee and the non-refundable deposit/cancellation fee, matriculation fee, will be refunded.
- 4) If a student withdraws from the school and the Withdrawal Effective Date is after June 30, but before the first day of the Fall Semester, fees paid for the Fall Semester or the year, except for the application fee, the non-refundable deposit/cancellation fee, matriculation fee and a penalty equivalent to 20% of the total Fall Semester tuition fee, will be refunded.

- 7) Once a semester is underway, no refund for that semester is possible, regardless of whether the student has attended classes or not.
- 8) Refunds will not be offered to students who are dismissed from the school for academic or behavioral misconduct, or to students who have not disclosed learning issues which HQIS cannot address.
- 9) School bus fees paid for a semester will be refunded on a pro-rated basis for each day of a semester that the student is not registered at HQIS except for the RMB 700 handling charge. The pro-rated amount per school day will be 1/90th of the bus fee for the full semester.
